

Planting Baptist churches throughout the United States in the following communities: Anglo, Hispanic, Asian, Black, and Deaf.

Our Mission

To assist in planting Baptist churches throughout North America.

Baptist Church Planters is very thankful for the contributions to church planting. The privilege of giving far exceeds that of receiving. As a faith mission, we depend on the Lord and His people to make church planting possible.

There are multiple ways of supporting church planting.

Cash Gifts

Baptist Church Planters has two programs to encourage regular giving, Planters 500 (minimum \$5 a month gift) and the President's Circle (minimum of \$500 a year). Many others have participated in a one-time gift and it always seems to come in at a crucial time. One-time gifts are extremely helpful.

Gifts of Property or Goods

Not everyone has cash on hand to give, but may very well have personal property that Baptist Church Planters can turn into cash. You can claim the market value of the given property as a donation on your tax return. Cars, campers, motor homes, silver sets, valuable jewelry, antiques, land, and houses are some of the possibilities.

Foundation Gifts

With a minimum investment of \$25,000 you can receive an income for life. Interest rates depend upon your age at the time of investment. Baptist Church Planters receives an initial gift at the time of purchase and the remainder of the funds at the time of your death. There are also tax advantages in donating through a charitable gift foundation. Please contact Baptist Church Planters for more information.

Life Insurance

Baptist Church Planters can be designed as the owner and/or beneficiary of a life insurance policy. You may receive immediate benefits on your taxes, and leave a long-term impact on the work of missions.

Year End/Tax Return Giving

Many like to review what the Lord has given throughout the year and what they can share at the end while others choose to give from their tax return.

Appreciated Securities

Giving stocks, bonds and mutual funds are excellent gifts with tax benefits. Baptist Church Planters has a broker that manages the sale.

Memorial Fund Gifts

The memory of a loved one or influential spiritual person can be long preserved by giving to Baptist Church Planters' memorial fund. Memorial gifts are usually used for special projects. The name of the person being remembered is listed in our bi-annual publication and listed on a memorial plaque at the Service Center.

Last Will and Testament

A most helpful gift is leaving a portion of your estate to your church and other Christian organizations. You are as responsible for what you leave after your death as you are for what you presently have. Visit with your lawyer or estate planner regarding your wishes and also the tax benefits.
